NO BANNERS OR FLAGS AT DEEPDALE

As announced through the Press and in our match advertisements, the Board of Directors have decided regretfully that in future banners and flags will not be permitted inside the grounds, at either first or second team games.

It was found that banners and the like constituted a source of irritation and danger to many supporters.

To obviate friction of this kind young supporters are asked not to bring banners or flags to games at Deepdale.

CLUB NOTES

VITAL TASK—DISPEL RELEGATION THREAT

AS ALL North End fans are keenly aware the situation of the club in the Second Division relegation zone has considerably worsened through three more defeats since our programme of December 2nd. There has been an improvement in certain respects, but not in the vital matter of again striking a winning vein.

For example, in our return game with Blackpool at Bloomfield Road last Saturday, North End played spiritedly and led at the interval by the only goal of the half, this being neatly taken by our new centre forward Ray Charnley against his former club with a characteristic header.

The confidence it ought to have inspired unfortunately disappeared when Blackpool struck back to take the lead with two quick goals against an irresolute defence which, once more, faltered under pressure and made fatal mistakes. A third goal knocked the heart out of the team and the result was a 4-1 anti-climax.

Much the same happened in the previous game on a treacherous pitch at Millwall. North End played quite well in the first half but even though the run of the ball was unfavourable they again failed to accept good scoring chances. Two goals, both the result of errors in defence, settled the issue.

CLUB NOTES—*continued*

In the preceding home game Bristol City snatched the only goal in a game which both teams badly needed to win. The visitors went ahead in the ninth minute through Garland being left unmarked, and they clung to this lead with a determination which defeated all our attempts to break through a dogged massed defence.

The depressing outcome is six successive defeats and only three points — from successive 1-1 draws — out of the last 20 points at stake. Whereas our first 10 matches yielded 10 points by 10 goals to nine, the next 11 cost North End 29 goals with only 11 scored in reply, making 38 conceded in 21 matches.

The present adverse sequence is our worst since the club's relegation season, and it is obviously idle to pretend to suggest that the position is other than serious when, with half the season's matches played, there are only 15 points on the credit side. Every possible effort will be made to effect a revival.

The management's activities to strengthen and re-shape the side are continuing. They resulted this week in the acquisition at considerable cost of forceful, well-built Ken Knighton, the Oldham Athletic half back, aged 23, who has attracted a lot of attention this season. His signing is a step in the right direction.

Thus for the second time this month we have a new player on show, the other being the experienced Ray Charnley from Blackpool, who, it is expected, will be able to give the attack the extra finishing power it has long lacked plus more confidence in taking chances. Other strengthening moves are being pursued.

OUR VISITORS—*Charlton Athletic*

WE EXTEND a cordial welcome and season's greetings to fellow strugglers in Division Two. Founded 1906, Charlton became a professional Club in 1920 through the generosity of two rich timber merchants, the Gliksten brothers, who were two of the first Directors.

The present chairman, Mr. E. M. Gliksten, is a member of The League's Management Committee and one of the youngest of club chairmen. Serving with him on the Board is his brother Mr. D. R. Gliksten.

Thus a long family connection is maintained. Their father and uncle were two of Charlton's best-known directors and greatest benefactors.

Charlton's ground is a vast natural amphitheatre known as The Valley, and its slopes can accommodate nearly 80,000 people. The record crowd stands at 75,031 on the occasion of an FA Cup-tie with Aston Villa on February 2, 1938.

That Cup-tie was in the fifth round. It ran to three games and the Villa went on to the semi-final. Charlton's turn came in the next but one peacetime season—1945-46, when the two-legged system was tried in the FA tournament.

"The Haddicks," as they were then known locally, (now they are dubbed "The Valiants), eliminated Fulham, Wolves, Preston, Brentford and Bolton and after 90 minutes' play at Wembley were on equal terms with Derby County. Then big Jack Stamps, playing between Carter and Doherty, settled it.

Twelve months later Chris Duffy won the Cup for Charlton with a remarkable lone goal against promoted Burnley in extra time.

POLICE NOTICE TO CAR PARKERS

The co-operation is sought of all motorists who attend Football Matches at Preston North End. It is particularly requested that FULL USE SHOULD BE MADE OF THE CAR PARKS WHICH ARE PROVIDED.

Indiscriminate parking of motor vehicles in side streets and upon grass verges causes serious obstruction, annoyance to residents and pedestrians, and damage to grass verges. Where side streets are used for parking, this must be on one side only so as to facilitate the free flow of traffic. Cars must not be left in dangerous positions, obstructing road junctions or across garage entrances.

The Police hope that all motorists will comply with this notice. By so doing they will AVOID BEING PROSECUTED for inconsiderate use of the highway.

YOUNG SUPPORTERS WARNED

Despite requests to supporters that the playing area should be kept clear at all times, juvenile spectators have come on to the pitch during matches. Such irresponsible behaviour could result in this Club being the subject of action by the Football Association. If these incursions on to the pitch do not cease, the Board of Directors may be compelled to close ALL JUVENILE STILES AT BOTH FIRST AND SECOND TEAM GAMES. This is a course of action they do not wish to take, but order must be preserved at games at Deepdale for the safety of all spectators.
